Seventh Sunday after the Epiphany

February 20, 2022

The worship at Broadway Baptist Church has been consciously crafted to reflect and recapture historic and classical worship. Worship is an act of offering and praise to God. Our priority is to worship God according to the model found in Isaiah 6:1-8. Central to our worship is the proclamation of the Word of God through scripture, sermon, and music. We encourage all worshippers to engage in the worship of God; after all, worship is also a verb.

Please silence your cellphones during this time of worship.
