The Reign of Christ

November 20, 2022

The worship at Broadway Baptist Church has been consciously crafted to reflect and recapture historic and classical worship. Worship is an act of offering and praise to God. Our priority is to worship God according to the model found in Isaiah 6:1-8. Central to our worship is the proclamation of the Word of God through scripture, sermon, and music. We encourage all worshippers to engage in the worship of God; after all, worship is also a verb.

Please silence your cell phones during this time of worship.

**Please stand in body or in spirit.*

The Prayer of Confession

Rev. Susan Reed and Congregation

Sovereign God, so often we know not what we are doing. We are so absorbed in our concerns that we are unaware of who is being hurt by the works of our hands or the desires of our hearts. We fail to see how connected we are, how our actions affect so many, how the web of creation links us all together. Have mercy on us. Open our eyes so we can see who we are and what we have done. Cleanse our hearts so we can be who you call us to be and do what you would have us do, for the sake of Jesus Christ, who rules over all. Amen.

Advent Theme 2022

FROM
GENERATION
TO GENERATION...
There's room for every story

The root word of “generation” is “gen” meaning “origin” or “birth.” Our theme is also a call to action: what are we being called to generate or bring forth? What have your ancestors and those who have come before you passed on for you to continue? Who are the spiritual elders in your community who planted the seeds for the things that are now blooming? What seeds are you planting for the future? From Generation to Generation... reminds us of the ways our lives, histories, actions, and stories are interconnected and woven together. In the midst of narratives, policies, and rhetoric designed to divide us, what does it look like to practice belonging to one another? The work of God is always unfolding— in and through us. This Advent season, how will we carry it forth?

How will you retell this generational story for the people in your extended family? How can you include more than just your nuclear family within your story for future generations?

We need your help in telling your generational story.

What will you do to help share the story here at BBC?

Bring a framed picture of your family so we can display them arrived the church.

Please bring them to the church office of to your Sunday School Classroom by November 27.
